

Endure 120

Non Medicated Foam Hand Wash - 1.2 L NextGen

Features

- Endure 120 is a mild foaming formulation that is designed for high frequency hand washing, prior to surgical hand rubbing and for patient bathing applications.
- Endure 120 is an ultra mild low fragrance formulation gentle enough for repeated use and for sensitive skin, designed to leave hands feeling soft and smooth.
- Specially formulated for frequently washed hands, the soap and latex free, free-rinsing Endure 120 is pH 5.5 balanced and contains aloe vera and emollients to protect skin from drying, chapping, redness and other irritation.
- Endure 120 lathers up easily enabling good cleaning action to prevent infections and is free rinsing reducing the risk of residue leading to irritation.
- Endure 120's light fresh fragrance and mild free rinsing formulation is highly suitable for Patient Bathing.
- Endure 120 is delivered as 0.6 ml of aerated foam enabling easy coverage over the hands or body. In addition to minimising usage and pod replacement, the potential for skin damage is reduced.
- The attractive and functional dispensing options complement any hand washing location.
